## **Terms and Conditions**

Email completed form to info@birger.com. Upon receipt of completed order form, Birger will calculate shipping and issue an invoice with a web link or payment by credit card. Orders will be filled in the order received, so long as the associated payment is received within 48 hours of the invoice being issued. For payments received after this window, the place in line is re-allocated as if the order was received at the time of payment. ◊ Orders will be shipped complete. ◊ Deposit is fully refundable up to the day before shipment is scheduled. Requests for order cancellation must be received by email. Payment will be refunded to the credit card within 30 days of the request. ◊ Products are warrantied against defects in materials and workmanship for a period of two years from the date of shipment (except for cables, which are only warrantied for 90 days). Warranty covers materials and labor, but not shipping charges. ◊ Returns are accepted if received within 10 days of original shipment, and in original condition. Credit card refund will be issued within 10 days, minus shipping charges, and 15% restocking fee. ◊ Shipping is by Federal Express, or DHL, and will billed at contract rates in effect at the time the order is placed. ◊ Birger Engineering, Inc.'s aggregate liability is limited to the total amount actually paid to it by Customer. ◊ All products are compliant with the EU ROHS directive, and do not contain lead.
